HOW CAN I GET INVOLVED?

The Justice Journey is designed to challenge, inspire and equip you to better engage with the issues of social justice that surround us – individually and as a congregation. It is a 5-week course consisting of 4 evening workshops and prescribed readings for each week.

Grab your small group and join us for our monthly outreaches to the **Napier Street Haven Night Shelter**.

Dates:	Monthly (More information will be available in the weekly mailer)
Time:	7pm-9:30pm
Venue:	Napier Street Haven Green Point
Contact:	Edwin (innercity@justchurch.co.za)

Join **Straatwerk** and their ministry to ladies in prostitution.

Suffering intense trauma and severe neglect in a relationship (over an extended period of time) are often at the root of a woman entering prostitution. We have the privilege of reaching out to these dear ones on the streets of Cape Town. The message is one of salvation and restoration found in a relationship with our Lord Jesus and his Body. We pursue the seeking, and disciple those who choose LIFE!

You can join this mission through the following ways:

- (1) Pray for a specific lady in prostitution
- (2) Reach out to them Friday evenings: 9:30pm - 12am
- (3) Mentor a lady who has decided to step out of prostitution
- (4) We also need men to join us for spiritual and physical protection on Friday evenings.

For more information please email madri@straatwerk.org.za

Consider becoming a **Paradigm Shift Volunteer**

"The Paradigm Shift Program is a tool that connects business men and women within the church to microentrepreneurs in poor communities. Through business training, discipleship, microcredit and one-on-one mentoring, volunteers engage with developing entrepreneurs, who, in turn, bring economic possibility to their impoverished communities."

For more information, please email innercity@justchurch.co.za or mikevadas@me.com

Volunteer to help out at the **Ladies Tea & Crochet** Morning

If you would like to help out, please email Colleen at colsbooks@telkomsa.net. If you would like to donate books or wool, please could you drop this off at the Social Justice board.
