# SERVE

RONDEBOSCH PM

---

Jesus said that he didn't come to be served but to serve.

We want to be a church that follows his example by serving others through our unique passions and giftings.

We're more than just members of a community, we're a family. And part of being a family means teaming together to make family life happen. It doesn't end there, though. We're not only called to love and serve our church, we're also called to be Christ's hands and feet in our city and beyond.

**Not sure where to start? Read through these serving opportunities and see what excites you...**
