Every year we host our city's kids at our holiday club held at Rondebosch. This has always been an exciting, fun-filled time of teaming with other Common Grounders to impact the city with the gospel.

The commitment to this ministry is two training evenings (11 and 18 June) plus a weekend of training and bonding (22 June - 24 June) and then the actual holiday club (25 - 29 June during the day). We provide the resources, lunch every day and obviously - the kids. You bring the enthusiasm, love for seeing kids impacted by Christ and the vibe.

This will be a rewarding and exciting opportunity for those who have a gifting in the area of working with kids and love seeing them grow in their faith.

MOKONE PRIMARY HOLIDAY CLUB

Dates: 25 - 29 June

Cost: No cost

leslie.black@tzn.org.za

Common Ground & Common Good will be partnering together to run a week-long Holiday Club at Mokone Primary School in Langa, with 5 to 13 year olds from the community.

We aim to share the gospel message while growing our relationships with the children from the area, many of whom are already involved in Common Good initiatives in the school. The content will also include crafts, games and some educational elements, focusing on basic literacy and numeracy. There will be ample opportunity to share the gospel, develop relationships, share stories and have fun! The commitment to this ministry is a weekend of training and bonding, the training will be on 22 and 24 June, and the holiday club will run from 25 - 29 June.

We will be joined by a group of high school students from Langa High who have been participating in 'Just Grace' this year, so this is also a great opportunity to build relationships with young people in Langa.

We look forward to another health outreach with Madagascar based "Growing the Nations".

Growing the Nations do wonderful work with children (and their families) with special needs and hold a key relationship with the Madagascan Ministry of Health which has created further involvement opportunities. This year we will focus on **3 areas of ministry:**

1. A three- day therapeutic holiday programme for children with special needs and their primary care-givers;
2. First Aid and CPR: training the trainers
3. A continued professional development short course for nurse anaesthetists.

Planning is still in progress and details will follow.

We are looking for Commongrounders working in any of these fields who have a heart to serve the Madagascan people.

To sign up or to find out more about any of these ministries please contact the ministry leaders directly or email us on **info@commongroundchurch.co.za**.
